COMMITTEE UPDATES

- Bingo at the Polish Festival went well. We could use a little training for the volunteers, and it would be helpful if the leader could take a break and trade off with someone else.
- Water Quality: We have submitted our Quality Assurance Project Plan to EGLE for approval. This defines what we're going to do and how we'll do it. We've gotten feedback and are revising. We have also been training volunteers to act as field technicians to collect samples. We plan on holding 2 water quality sampling events this year – one wet and one dry - with more planned for next year. A number of other volunteer opportunities are being planned. Wilson and Erik will participate in an oversight board.

Respectfully Submitted,

Blair Shaman
Secretary
